Dear Cruisers and Car Fans,

During recent years the City of Westland has been the host of several successful cruises and it is with great pleasure that I have the opportunity to welcome you to our All American City for the 2013 season. Whether you are a cruiser or a car lover, you are sure to have a great time with what our very own Don Nicholson has assembled.

Our region, known to the world as the Motor City for putting the world on wheels, has had a difficult few years but are now back on track and better than ever. The Big 3 all posted profits in 2012 and sold more cars last year than they have since 2007. What a better way to celebrate their products by shining them up and showing them off.

I wish you the best for a successful season and I hope you have the opportunity to relax and spend some quality time with family, friends and fellow car enthusiasts.

Warm Regards,
